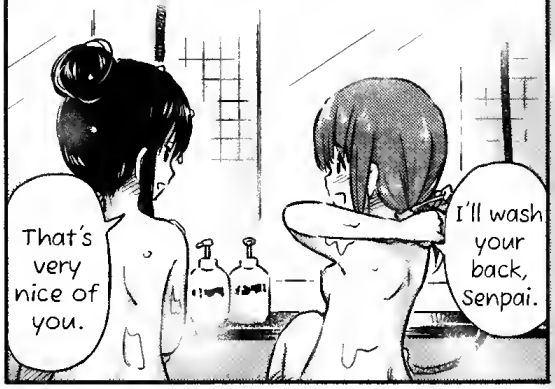
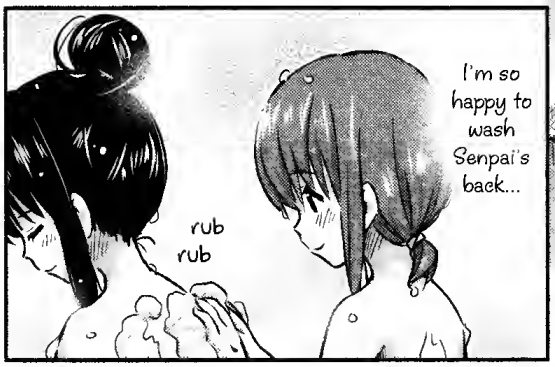
Today, I'm at a hot spring in Yoriko-Senpai's house.
Wow!
It's so huge!
steamy
Hehe, I hear that a lot.
O-oh sorry, Senpai!
Don't forget to rinse yourself, Sayuri.
What a blunder...
splash
...I hope she doesn't think that I lack common sense...
She went in the rinse water...?
overflowing

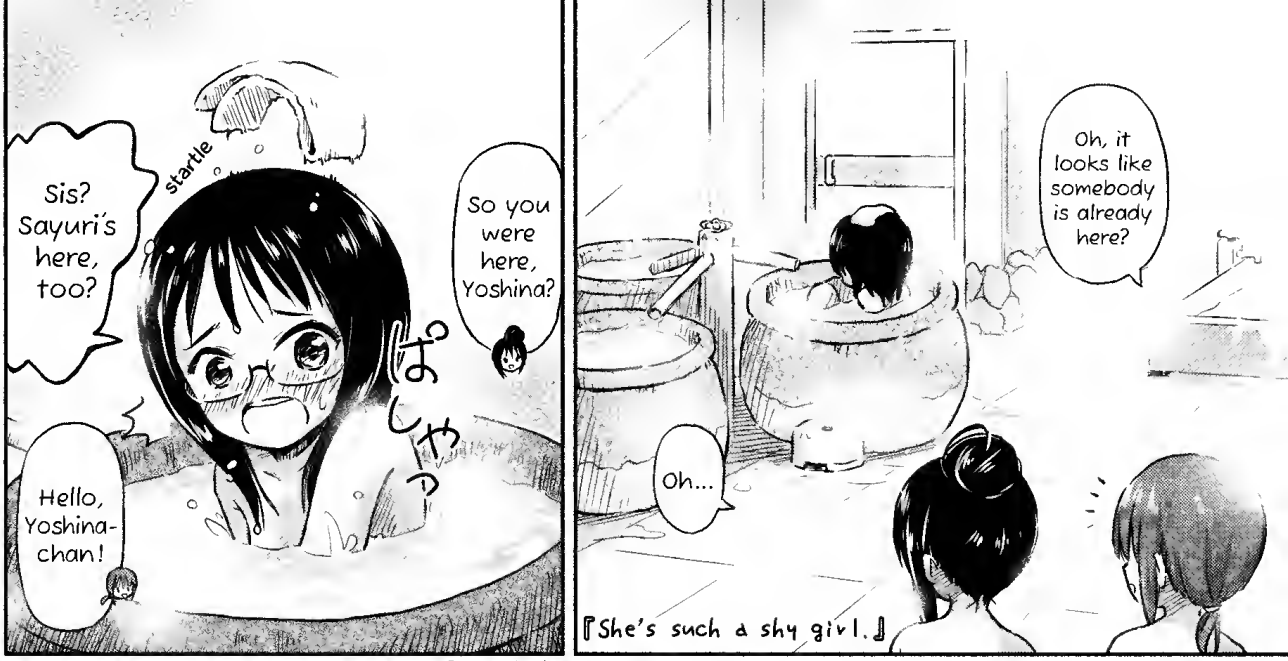




TN: "I like/love you" is vaguely similar to "university potato".

SFX: Badum Badum

『It was a joke...』
Since we washed ourselves, let's get into the bath.
Yeah.
There're several different kinds!
Stand-up bath, yuzu bath, pulse bath, lots of them!
I will conquer them all!
SFX: Grrmmm
I've always wanted to put my hand into one of these...
ドー
Hehehe, did you think they just exist in dramas?
A lion! These actually exist?!
ドドド
ドドド
Are you all right, Sayuri?
Haah
Haah
I'm fine...
ゴシャ!!
ぴゅー
Oww ouch!
My hand got bitten!
SFX: SLAM, Squirt



SFX: Splash

SFX: Blush

Please don't watch!
Yoshina-chan?!
This is wrong...
Awa wawa wawa
If I had known I'd be bathing with Sayuri, I would've tried to lose some weight...

SFX: Crash

My father indulged me and made this when I was small.
Is that so...
There's even a slide here.
That's too much of a thrill.
Ah, this...
Would that be like this...?
Sayuri... Let's try sliding together.
Eh?!
You can be on top.
On top...?
badum
This way might be great too...

『But it does bother me...』
Hmm where indeed...
Where shall we go next?
sli-
de
What if blood is coming out?!
Eeh?! That's way too embarr-asing!
O-Ok...
SFX: Badum
Are you all right? Let me take a look...
Ouch... I hurt my butt...
THUMP
Eek!
Sayuri!
It's perfect for giving birth.
What are you looking at?!?!?
So, how is it...?
This is so embar-assing...
It's all right...

『I'm dehydrated...』
You're pretty tough at saunas...
Ehe hehe...
If I endure just a bit longer, Senpai's hair should get out of the way and I'd see her...
Really though, I'm almost at my limit but...
I... can't take it anymore...
dizzy
You're such a spoiled child today, aren't you...?
Wa- Water...
Sayuri?
thu-
mp

Oh no! She's uncon-cious... She won't drink!
But I could...
ぺしゃあ
SFX: Splash
This is clearly dehydration! I must make her drink water, quickly!
『The crystallization of happiness...』
FWIP
Thank good-ness...
bloated
... Hm.
Sayuri!
...this full belly made by Senpai's feelings seemed very elevated at the moment.
Though she definitely made me drink way too much water...
